Support the UM SailingCanes sailing team! a club sport

The "U" Sailing team has had an awesome year and we need your help to travel to the post season action and improve our team's program for next year.

Highlights:

Fall Districts finished 4th in SAISA district just behind the big 3 varsity teams. Qualified for the Atlantic Coast Tournament @ Harvard the "U" finished 5th out of 20 teams

Historic debut of the SailingCanes women's team and our big boat team competing in sloop events.

Tied for second in the spring SAISA South Points standings and qualified for the 2009 Spring District Championship @ Charleston

We will be traveling to Boston for the Morris Intersectional @ Boston University in April and the Nationals Semi-finals in May . We need your help to get to Beantown and line up with the best in college sailing and get the equipment and coaching we need to meet our future goal of becoming the next great National Championship team at the "U".

Go Canes!
